DR. OUSMANE KABA

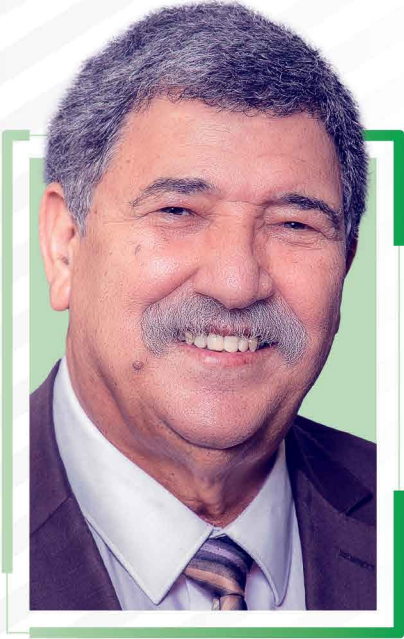

FONDATEUR DE L'UNIVERSITE KOFI ANNAN DE GUINEE

Je profite de ce nouvel espace informationnel de l'Université Kofi Annan de Guinée (UKAG), un magazine dédiée aux étudiants sortants, pour adresser mes sincères félicitations aux étudiants de la 22ème promotion sortante qui peuvent être fiers d'être formés à l'Université Kofi Annan de Guinée.

En effet l'UKAG qui continue à innover le secteur de l'enseignement supérieur, est la première Université de Guinée par le nombre de nos formations accréditées. Nos étudiants sortants et en cours de formation bénéficient des meilleurs programmes académiques avec ses composantes multidisciplinaires et le tout dans un cadre continuellement modernisé et stimulant.

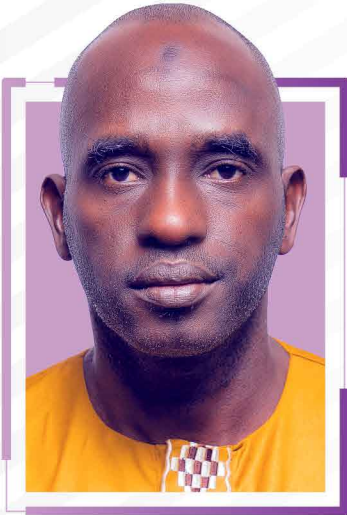

Notre Université a enrichi son infrastructure d'une bibliothèque abonnée aux revues internationales, de 5 nouveaux laboratoires ultra-modernes, d'un atelier électricité/électrotechnique et d'une Maison d'entrepreneuriat flambant neuve, hyper dynamique par ses activités en faveur des futurs jeunes entrepreneurs.

La formation commence par l'UKAG ici et maintenant pour devenir Leader de demain.
